(first come first basis)

Convener: Dr. Komal Chauhan, Dean (R&O), Head-CEFF

Food Fortification: Nourishing the Future

The training will help to gain insight into the science behind Staple Food Fortification, its impact on communities, and how you can contribute to this global movement.

Join us in this journey towards a stronger tomorrow where every meal is not just a source of sustenance but a beacon of nutrition and health.

Together, we can fortify staple foods and fortify our future!

National Institute of Food Technology Entrepreneurship and Management, Kundli
